FOR HEALTH AND HAPPINESS

I know of several people in our congregation who are either wishing to be able to move more or already make an effort to get in daily exercise. I would like to try forming a small group or maybe two small groups to help one another move more and stay active. I would provide a short meditation, quote, Bible verse, or thought for the day, and then we would walk in the gymnasium together doing laps.

Once the weather improves, we could move outside and walk around the neighborhood. If two different groups of people express interest then we will try two different times or days, etc. Our community, neighbors, friends, and family would be more than welcome to join us.

LOSSES AND SCARS

We all go through many things in our lives. More recently, some of us have lost family members, friends, and we have undergone other difficult changes. Pastor Althea hopes to facilitate additional sharing of grief and other thoughts in a group setting. We will have some quiet time to pray and sit with one another in support.
